

Dear Shafter Community,

Shafter has been hit hard by this pandemic. We have had more than 1,000 confirmed cases of COVID-19. Wearing a mask is a simple way to prevent the further spread of this disease that has already taken so much from us. Shafter is a compassionate community. We take care of each other. As organizations in Shafter, we want to encourage all residents to show your care for others by wearing a mask when out in public. Wearing a mask protects others, reduces infection, and helps move us closer to the activities we all miss.

For this reason, we are coming together to launch a new public campaign called "Wear to Care / Usar Para Cuidar" to remind us all to wear masks for the sake of protecting those around us. Look for signs around town, posts on social media, and the hashtag

#WearToCare #UsarParaCuidar.

Sincerely,

We Wear To Care
